

Important Notice: Employers and the provision of financial advice

Please note that unless you are PS146 qualified to provide general and/or personal financial advice, you cannot advise staff on matters associated with superannuation and financial planning.

Lutheran Super has qualified helpline staff that can assist with most member queries in relation to their superannuation. If your employees that are members of the fund come to you with queries, please refer them to the helpline who can be contacted on **1800 635 796**.
