

# SA Metropolitan Fire Service Superannuation Scheme Rollover form

## Roll other super money into the SA Metropolitan Fire Service Superannuation Scheme

To rollover other super money you have from previous super funds, complete this form and send it to your previous super provider.

If you have super money with more than one previous super provider you'll need to complete a separate Rollover form for each amount and forward it to each provider. Once your previous super money has been received and credited to your super account balance, you'll receive confirmation from the Scheme.

You may also need to read the material provided to you on joining the Scheme for more information on how your rollover will be treated.
