

Investment – Take control of how your super is invested

You can select investment options for your super by calling the Helpline. Once you have received your personal login details, you can also select your investment options online at **mercERSUPER.COM** (sign in using your personal login).

If you don't make an investment selection, you'll automatically be invested in the default investment option which applies to you (please see the 'How we invest your money' section of the PDS for further details). Your super will remain invested in the default investment option until you make an alternative investment choice and that choice is processed by the trustee.

If you wish to invest in the Mercer Direct investment option, this can only be selected after you have joined your plan and once you have the required minimum amount in your super account balance. You can then choose to invest part of your super in the Mercer Direct investment option online only (using your personal login). For further details please read the *Investments* booklet and *Mercer Direct Member Guide* or call the Helpline.

Insurance – think about Death and disability cover to protect your family's financial wellbeing

Please refer to the PDS for details about the Death and disability cover arrangements in the Individual Section of the Mercer SmartSuper Plan and how to apply for or adjust your insurance cover.

Who'll get your super if you die while you're in the Mercer Super Trust?

You can nominate who you would like to receive your Death payout if you die while a member of your plan. Once you have received your personal login details, you can also nominate your preferred beneficiaries online at **mercERSUPER.COM** (sign in using your personal login). This is only an indication of your preference for the distribution of your Death payout as the trustee will not be legally bound by your wishes unless you make a binding death beneficiary nomination. For more information about making a binding death benefit nomination, call the Helpline or refer to the *Beneficiaries* fact sheet available at **mercERSUPER.COM/documents**.

Provide your consent to us to search for your other super accounts using your tax file number (TFN)

In accordance with the *Superannuation Industry (Supervision) Act 1993* we can search the Australian Taxation Office (ATO) database using your TFN for other superannuation monies that you may have with the ATO or other superannuation funds. We will advise you of the results and can provide assistance to consolidate these funds into your current account.

I give my consent for the Mercer Super Trust or any successor fund to use my TFN to search for other superannuation monies for me from the ATO or another superannuation provider and to facilitate consolidation of my accounts.

The Mercer Super Trust will only use your TFN in accordance with your consent. The consent will remain in place until cancelled by you in writing or by contacting the Helpline.

The Mercer Super Trust requires your TFN and your consent to use your TFN to search the ATO database for other super accounts on your behalf and cannot search without it.

If any amounts located from the search process are held by the ATO, in respect to Superannuation Guarantee or Superannuation Holding Account special account credits, these balances will be transferred to your account within the Mercer Super Trust.

- understand that all of my super will be invested in the default investment option until the time I make an alternative investment choice and that choice is processed by the trustee.
