

Step 1 (continued)

Let us know your Tax File Number (TFN)

Your TFN is confidential and it is not an offence to not provide your TFN. However, in line with the Superannuation Industry (Supervision) Act 1993, the trustee of the Mercer Super Trust is authorised to ask for your TFN. The trustee will only use your TFN for lawful purposes. These purposes may change in the future if there are changes to legislation.

You should note that if you don't provide your TFN, you may pay more tax than you have to. To minimise any extra tax being withheld from your pension payments, you will also need to complete and return an ATO Tax file number declaration form, a copy of which is available by calling the Helpline.

Preservation declaration

(Select one option only)

I declare that I:

- was born before 1 July 1960, am now 55 years or over and do not intend to work more than 10 hours a week ever again
 was born in the period 1 July 1960 to 30 June 1961, am now 56 years or over and do not intend to work more than 10 hours a week ever again

 am permanently incapacitated*
 have reached my preservation age (for Transition to Retirement Allocated Pensions only).

* If you tick this option the trustee will require supporting evidence as to your medical condition. Please call the Helpline for more details on the evidence required before your application can be accepted.

Step 3

Make your initial investment

Your initial investment must be at least \$10,000.

Remember if you have multiple rollovers from different sources, it may be in your best interest to first combine them in your applicable division of the Mercer Super Trust or another superannuation fund before making your investment in the Allocated Pension Division.

There is a limit (Transfer Balance Cap) on the amount of money you can transfer into the Retirement Phase of superannuation. If you exceed the Transfer Balance Cap you will be required to remove the excess and may be liable for additional tax. Please go to www.ato.gov.au/super for further information.

(Select one option only)

I am:

- transferring from another approved superannuation arrangement and I have attached a completed *Rollover* form.
 transferring from my account in the Mercer Super Trust:

Corporate Super Division membership number

Individual Section membership number

If you have selected a transfer from Mercer Super Trust, please choose one option below for your transfer amount:

- A partial amount of \$
 Close my super account (this means that your entire benefit will be transferred to your Allocated Pension account and your super account will be closed)
 Keep my Mercer Super Trust super account open – transfer all except for \$5,000 (or all except for \$500 from the Individual Section or Personal Super Division) of my accumulation style super account

Please go to mercersuper.com or contact the Helpline to get the *Rollover* form if you are transferring from another approved superannuation arrangement.

Step 4 (continued)

Option 2: Priority payments

You can choose the **Ready-made** and **Select-your-own** investment options (in which your account balance is invested) from which pension payments are made by electing a payment order. Pension payments will only be made from one investment option at a time. After your first nominated investment option is depleted, payments will then be made from your next nominated option until this has been depleted and will continue down your payment order. For example, if your account balance is invested in **50% Mercer Conservative Growth**, **25% Mercer Growth** and **25% Mercer High Growth** you could choose to have your pension payments made in the order of **1. Mercer Conservative Growth**, **2. Mercer High Growth** and **3. Mercer Growth**.

Step 5

Decide on your pension amount

I wish to receive an annual pension[#] as follows (select one option only):

- minimum amount permitted[^]
- maximum amount permitted (Transition to Retirement Allocated Pension only)[^]
- nominated amount of \$ ^{##} p.a. (gross of tax)

Please note: If you have not ticked a box above, payments will initially be made at the minimum amount permitted[^]. Any amounts selected that are, or become, outside the minimum or maximum income levels will be adjusted each year to remain within these limits.

[#] If you commence your pension part way through the financial year your payments for the rest of the financial year will be the pro-rata amount of the annual pension. This does not apply if you have chosen a Transition to Retirement Allocated Pension and you have nominated the maximum amount permitted.

^{*} For Transition to Retirement Allocated Pensions, this amount must be between the minimum and maximum permitted. For Allocated Pensions, this amount must be at least the minimum permitted. See the 'Payment Options' section of the *PDS* for details of the minimum (and where applicable maximum) annual pension amounts.

[^] For further details of what pension amount you will receive in future years see the 'Payment Options' section of the *PDS*.

Step 6

Select your method of payment

I wish my pension to be paid as follows (tick one box):

- monthly quarterly annually

Date of first pension payment*: 1 5 / /

^{*} This date must be on or before 30 June in the current financial year, unless you joined the Allocated Pension Division on or after 31 May in the financial year, in which case the date can be on or before 30 June in the next financial year. Your pension payments will commence on this date subject to you providing all of the necessary information at least 7 days before this date, otherwise your pension will commence on the 15th of the following month.

Please pay my pension to my nominated account (as shown below)*

My bank account details are as follows:

Name of institution

Account name

Branch BSB number - Account Number

^{*} If you do not provide at least your nominated account details, we will be unable to commence your pension payments until you do.

Step 7

Reversionary Beneficiary Nomination – For continuing pension payments

On joining the Allocated Pension Division of the Mercer Super Trust and before your pension commences, you can make a reversionary beneficiary nomination. This nomination is **irrevocable** and can only be made to your dependant – see the 'Beneficiaries' section of the *Other Things You Should Know Booklet* for more information. If you want to make this election, please provide your dependant's details in the space provided below. **Making a reversionary beneficiary nomination is not compulsory.** Alternatively, you can make a binding death benefit nomination (see below for details).

Name

Date of birth / /

Relationship to you

Proportion of payout 1 0 0 %

If you don't want to make a reversionary beneficiary nomination, you can make a binding death nomination for the payment of your death payout to one or more of your dependants or your legal personal representative (your estate) – see the 'Beneficiaries' section of the *Other Things You Should Know Booklet* for more information. You can do this by completing and returning a *Making a binding death benefit nomination in the Allocated Pension Division* form.

You can get a copy of this form by calling the Helpline or from the website mercersuper.com.

If you have not made a reversionary beneficiary nomination on joining the Allocated Pension Division of the Mercer Super Trust (described above) or you do not have a valid binding death benefit nomination in effect at the time of your death, then the trustee will pay a pension to your spouse. In the event that you do not have a spouse at the time of your death, the trustee will pay a lump sum equal to your account balance to your legal personal representative.

Step 8

Confirm if splitting contributions – complete only if transferring from an account in the Mercer Super Trust

If you are transferring from an accumulation account in the Mercer Super Trust and should you wish to split your super contributions with your spouse for the current or previous financial years, you will also need to complete and return a *Splitting super contributions in the Mercer Super Trust* form. Note that contributions splits cannot be processed after your benefit payment has been made so it is important that any split request is lodged along with (or prior to) these payment instructions.

A copy of the *Splitting super contributions in the Mercer Super Trust* form, as well as a fact sheet providing additional information on contributions splitting, can be obtained from the website mercersuper.com (sign in using your existing personal log-in) or by calling the Helpline.

Tick here if you intend to lodge a split request either prior to or with this form.

Step 9

Sign the form

Don't forget to sign and return this form. You should also keep a copy for your records.

For identification purposes, you MUST provide a certified copy of proof of identity. See the "Completing proof of identity" section at the end of this form for details of certification and acceptable documents.

By signing this form, I:

- acknowledge that the trustee may provide any member communications (including any annual reports, member and exit statements, notices of material changes or occurrence of significant events and other member publications) and/or marketing and research material that are permitted by law to me electronically by:
 - sending it to me by email (which may include a link to a website from where it can be downloaded) where I have provided my email address including any email address provided by any other person on my behalf including my employer; and /or
 - making it available to me on a website from where it can be downloaded.
- acknowledge that caps apply to the amount I can transfer into the Retirement Phase and it is my responsibility to monitor.
- understand that all my super will be invested in the default investment option applicable to me until I make an alternative investment choice and that choice is processed by the trustee.

acknowledge that I have read and understood the attached PDS and agree to be bound by it. I understand that the PDS contains a number of references to the Investment Booklet dated 23 October 2017 and the *Other Things You Should Know Booklet* dated 23 October 2017 (that are incorporated into and are part of the PDS) and they should be read before I make a decision about the Allocated Pension Division.
