**Let us know your Tax File Number (TFN)**
Your TFN is confidential and it is not an offence to not provide your TFN. However, in line with the Superannuation Industry (Supervision) Act 1993, the trustee of the Mercer Super Trust is authorised to ask for your TFN. The trustee will only use your TFN for lawful purposes. These purposes may change in the future if there are changes to legislation.

If you don’t provide your TFN, you may pay additional tax. To minimise any extra tax being withheld from your pension payments, you will also need to complete and return an ATO Tax file number declaration form, a copy of which is available by calling the Helpline.

There is a limit (Transfer Balance Cap) on the amount of money you can transfer into the Retirement Phase of superannuation. If you exceed the Transfer Balance Cap you will be required to remove the excess and may be liable for additional tax. Please go to www.ato.gov.au/super for further information.

Please go to mercersuper.com or contact the Helpline to get the Rollover form if you are transferring from another approved superannuation arrangement.
### Step 4

**Take control of how your super is invested**

**Initial Investment selection**

If you are transferring directly from the CSD or the PSD and you do not want to change how your super is invested then do not complete the table below.

If you do not complete the table below then your super will continue to be invested in the same investment options, where possible, or if not, in the investment option(s) that most directly correspond to those in which your super was invested in the CSD or the PSD. See ‘How to choose your investments’ in the Investments booklet for more details.

If you wish to invest in the **Mercer Direct** investment option this can only be selected after you have joined the Allocated Pension Division and once you have the required minimum amount in your account balance. You can then choose to invest part of your account balance in the **Mercer Direct** investment option minimum amount of $20,000 online only (using your personal log in details). For further details please read the Investments booklet and Mercer Direct Member Guide or call the Helpline.

If you are not transferring directly from the CSD or the PSD and you don’t make a selection in the table below, you’ll automatically be invested in the default investment option, which is the **Mercer SmartPath** investment option, or the **Taxed Mercer SmartPath** investment option if you are a Transition to Retirement Allocated Pension member.

You can choose one or more of the **Ready-made** or **Select-your-own** investment options or a mix of both (maximum of 10 options). Please ensure the total adds to 100% otherwise the default investment option will apply until it’s corrected.

### Pension payment investment selection

If you have chosen more than one investment option for investing your account balance, you can choose to have your pension payments made from nominated investments or a priority election, please choose either Option 1 or Option 2 (below), but not both.

Remember, you cannot nominate the **Mercer Direct** investment option for your pension payments.

*Each time you make an investment in the **Mercer Direct** investment option, you must reconfirm (or change if applicable) your pension payment investment selection. This will be done as part of the online process for making an investment in the **Mercer Direct** investment option.*

In the future, if you complete and return a new **Changing your investment options in the Mercer Super Trust – Allocated Pension Division** form and do not complete Step 3 of that form, then any selection previously made under Option 1 or Option 2 (below), will become invalid and cease to apply.

If you do not complete this section of this Step, your pension payments will be made in the same proportions as your account balance is invested.

**Option 1: Nominated percentage (%) payments**

You can choose to have your pension payments made from one or more of the **Ready-made** or **Select-your-own** investment options (in which your account balance is invested) in different proportions to your current investments. For example, if your account balance is invested in 80% **Mercer Conservative Growth** and 20% **Mercer Growth**, you could choose to have your payments made from **Mercer Growth** only. To make this choice, you would write 100% in the percentage column opposite **Mercer Growth** in the table below.

Alternatively, you could choose 95% from **Mercer Conservative Growth** and 5% in **Mercer Growth**. To make this choice, you would write 95% in the percentage column opposite **Mercer Conservative Growth** and 5% in the percentage column opposite **Mercer Growth**.

Once there's no longer enough money in your chosen option(s), payments will automatically be deducted from the account balance invested in your other option(s). You'll be notified at the time, and can adjust your investment choice if desired.

**Option 2: Priority payments**

You can choose the **Ready-made** and **Select-your-own** investment options (in which your account balance is invested) from which pension payments are made by electing a payment order. Pension payments will only be made from one investment option at a time. After your first nominated investment option is depleted, payments will then be made from your next nominated option until this has been depleted and will continue down your payment order. For example, if your account balance is invested in 50% **Mercer Conservative Growth**, 25% **Mercer Growth** and 25% **Mercer High Growth** you could choose to have your pension payments made in the order of 1. **Mercer Conservative Growth**, 2. **Mercer High Growth** and 3. **Mercer Growth**.

### Step 5

**Decide on your pension amount**

I wish to receive an annual pension as follows (select one option only):

- [ ] minimum amount permitted *
- [ ] maximum amount permitted (Transition to Retirement Allocated Pension only)*
- [ ] nominated amount of $_________ p.a. (gross of tax)

Please note: If you have not ticked a box above, payments will initially be made at the minimum amount permitted. Any amounts selected that are, or become, outside the minimum or maximum income levels will be adjusted each year to remain within these limits.

* If you commence your pension part way through the financial year your payments for the rest of the financial year will be the pro-rata amount of the annual pension. This does not apply if you have chosen a Transition to Retirement Allocated Pension and you have nominated the maximum amount permitted.

* For Transition to Retirement Allocated Pensions, this amount must be between the minimum and maximum permitted. For Allocated Pensions, this amount must be at least the minimum permitted. See the ‘Payment Options’ section of the PDS for details of the minimum (and where applicable maximum) annual pension amounts.

* For further details of what pension amount you will receive in future years see the ‘Payment Options’ section of the PDS.
Step 6

Select your method of payment

I wish my pension to be paid as follows (tick one box):

- monthly
- quarterly
- annually

Date of first pension payment*: 1/5/2019

* This date must be on or before 30 June in the current financial year, unless you joined the Allocated Pension Division on or after 31 May in the financial year, in which case the date can be on or before 30 June in the next financial year. Your pension payments will commence on this date subject to you providing all of the necessary information at least 7 days before this date, otherwise your pension will commence on the 15th of the following month.

Please pay my pension to my nominated account (as shown below)*

My bank account details are as follows:

Name of institution
Account name
Branch BSB number
Account Number

* If you do not provide at least your nominated account details, we will be unable to commence your pension payments until you do.

Step 7

Reversionary Beneficiary Nomination – For continuing pension payments

On joining the Allocated Pension Division of the Mercer Super Trust and before your pension commences, you can make a reversionary beneficiary nomination. This nomination is irrevocable and can only be made to your dependant – see the ‘Beneficiaries’ section of the Other Things You Should Know booklet for more information. If you want to make this election, please provide your dependant's details in the space provided below.

Making a reversionary beneficiary nomination is not compulsory. Alternatively, you can make a binding death benefit nomination (see below for details).

Name
Date of birth
Relationship to you
Proportion of payout

If you don’t want to make a reversionary beneficiary nomination, you can make a binding death nomination for the payment of your death payout to one or more of your dependants or your legal personal representative (your estate) – see the ‘Beneficiaries’ section of the Other Things You Should Know booklet for more information. You can do this by completing and returning a Making a binding death benefit nomination in the Allocated Pension Division form.

You can get a copy of this form by calling the Helpline or from the website mercersuper.com.

If you have not made a reversionary beneficiary nomination on joining the Allocated Pension Division of the Mercer Super Trust (described above) or you do not have a valid binding death benefit nomination in effect at the time of your death, then the trustee will pay a pension to your spouse. In the event that you do not have a spouse at the time of your death, the trustee will pay a lump sum equal to your account balance to your legal personal representative.

Step 8

Confirm if splitting contributions – complete only if transferring from an account in the Mercer Super Trust

If you are transferring from an accumulation account in the Mercer Super Trust and should you wish to split your super contributions with your spouse for the current or previous financial years, you will also need to complete and return a Splitting super contributions in the Mercer Super Trust form. Note that contributions splits cannot be processed after your benefit payment has been made so it is important that any split request is lodged along with (or prior to) these payment instructions.

A copy of the Splitting super contributions in the Mercer Super Trust form, as well as a fact sheet providing additional information on contributions splitting, can be obtained from the website mercersuper.com (sign in using your existing personal log-in) or by calling the Helpline.

Tick here if you intend to lodge a split request either prior to or with this form.
Step 9

Sign the form

Don't forget to sign and return this form. You should also keep a copy for your records.

For identification purposes, you MUST provide a certified copy of proof of identity. See the “Completing proof of identity” section at the end of this form for details of certification and acceptable documents.

By signing this form, I:

- acknowledge that I have received all information I require in order to exercise the choices I have made.
- apply to be a member of the Allocated Pension Division of the Mercer Super Trust.
- accept that I will be bound by the provisions of the trust deed and designated rules which govern the operation of the Allocated Pension Division and the Mercer Super Trust.
- understand and consent to my information being collected, disclosed and used in the manner set out in the PDS.
- acknowledge that if I provided my email address and/or mobile phone number in this application form, the trustee may, at its discretion, use that email address or mobile phone number (as amended and notified to the trustee from time to time):
  - to send me information concerning my super, including any annual reports, member and exit statements, notices of material changes or occurrence of significant events and other member communications or publications; and
  - for marketing and research purposes, including sending me information about other financial products or services offered by the trustee or any of its related parties (unless I have requested you not to do so by contacting the Helpline).
- acknowledge that the trustee may provide any member communications (including any annual reports, member and exit statements, notices of material changes or occurrence of significant events and other member publications) and/or marketing and research material that are permitted by law to me electronically by:
  - sending it to me by email (which may include a link to a website from where it can be downloaded) where I have provided my email address including any email address provided by any other person on my behalf including my employer; and/or
  - making it available to me on a website from where it can be downloaded.
- acknowledge that caps apply to the amount I can transfer into the pension account and it is my responsibility to monitor.
- understand that all my super will be invested in the default investment option applicable to me until I make an alternative investment choice and that choice is processed by the trustee.
- acknowledge that I have read and understood the attached PDS and agree to be bound by it. I understand that the PDS contains a number of references to the Investments booklet dated 25 November 2019 and the Other Things You Should Know booklet dated 25 November 2019 (that are incorporated into and are part of the PDS) and they should be read before I make a decision about the Allocated Pension Division.
