Register of Relevant Interests and Duties

ANZ Staff Superannuation (Australia) Pty Limited is the Trustee of the ANZ Australian Staff Superannuation Scheme. This Register of Relevant Interests and Duties is maintained under the Trustee's Conflicts of Management Policy ("Policy") and is subject to the development and maintenance processes outlined in the Policy.

Register of Relevant Interests

The following table sets out the interests, which have been determined to be the ‘Relevant Interests’ for purposes of the Policy and Prudential Standard SPS 521 *Conflicts of Interest*.

Position	Interest
Trustee	<ul style="list-style-type: none"> <li data-bbox="617 500 1902 560">• ANZ Staff Superannuation (Australia) Pty Limited is a wholly owned subsidiary of Australia and New Zealand Banking Group Limited (“ANZ”), but it is a non-controlled subsidiary. <li data-bbox="617 581 1367 602">• Relationship with ANZ as the employer-sponsor of the Scheme. <li data-bbox="617 630 989 651">• Dealings with related parties. <p data-bbox="659 678 1881 738"><i>The Trustee has an arrangement with ANZ Financial Planning whereby members are able to have financial planning fees related to their superannuation debited from their Scheme account.</i></p> <ul style="list-style-type: none"> <li data-bbox="617 760 1724 781">• Service providers or advisers where related companies provide services or advice to the Trustee. <p data-bbox="659 808 1896 868"><i>OnePath Life Limited (a wholly owned subsidiary of ANZ) currently insures the death, Total and Permanent Disablement and salary continuance benefits provided through the Scheme.</i></p> <p data-bbox="659 889 1902 1019"><i>The Trustee has entered into an agreement with ANZ under which ANZ’s financial advisers have been engaged to provide Scheme members with general or limited personal financial advice about options available within the Scheme over the phone for no extra charge. Members requiring more complex personal advice are given the option of receiving comprehensive personal advice from an ANZ financial adviser for a fee.</i></p> <p data-bbox="659 1040 1866 1133"><i>These financial planning services are provided by ANZ’s financial advisers under ANZ’s Australian Financial Services Licence number AFSL 234527. Any advice provided by ANZ’s financial advisers is not provided or endorsed by the Trustee.</i></p> <p data-bbox="659 1154 1839 1214"><i>The Trustee also utilises ANZ banking facilities and services (including accounts, foreign exchange services and term deposits).</i></p>

Position	Interest
Directors (including Alternate Directors)	<ul style="list-style-type: none"> • Where a Director is a member of the Scheme and the matter being considered would have a personal impact on their membership. • This circumstance should also be considered in relation to the interests of Associated Persons* of the Director or Alternate Director. <p><i>* An Associated Person is any party under the control of the Director or who may be expected to influence, or be influenced by, the Director in their dealings in relation to their Scheme membership</i></p>
Directors appointed by ANZ as the employer-sponsor of the Scheme	<ul style="list-style-type: none"> • Directors appointed by ANZ have the same legal and regulatory obligations as other Directors and must always exercise their powers in the best interests of Members. Directors appointed by ANZ need to be conscious of the possibility of a conflict between the interests or duties owed to the Members and the interests of ANZ. To the extent of conflict in exercising their powers as a Director, they must prefer the interests of Members.
Directors and Responsible Persons	<ul style="list-style-type: none"> • Receipt of gifts, rewards, entertainment or sponsored travel valued at over \$500 or where it could create any obligation or expectation that could conflict with their role as an officer of the Trustee. The provisions in relation to accepting gifts or hospitality from such entities are set out in the Code of Conduct in the Corporate Governance Statement.
Scheme Administrator	<ul style="list-style-type: none"> • While the Scheme Administrator (Mercer Outsourcing [Australia] Pty Limited) provides only superannuation administration services for the Scheme, its business includes a wider range of financial and related services. In providing services to the Scheme, care needs to be taken to manage the potential for it to seek to cross-promote its other commercial interests.

Register of Relevant Duties

The following table sets out the duties, which have been determined to be the 'Relevant Duties' for purposes of the Policy and Prudential Standard SPS 521 *Conflicts of Interest*.

Position	Duties
Trustee	<ul style="list-style-type: none"> Duty to comply with terms of agreements to which it is a party, including service agreements entered into with other parties such as related parties (including terms requiring the payment of fees and other amounts to those parties)
Directors and Responsible Persons	<ul style="list-style-type: none"> Duties arising from directorships of other companies, particularly Registrable Superannuation Entity licensees
Directors and Responsible Persons who are employees of ANZ	<ul style="list-style-type: none"> Employees of ANZ are required to comply with ANZ policies. In the event that there is a conflict between the ANZ policies and the duties owed to members, Directors and Responsible Persons must satisfy their duties to members in preference to the duties or obligations to ANZ.
	<p><i>Any potential conflict between ANZ policies and the obligations of Directors and Responsible Persons in relation to the Scheme would be mitigated as ANZ policies include standard wording to confirm that their obligations to the Scheme as a Registrable Superannuation Entity licensee and under other legislation override the provisions of the policy. In addition, the Trustee is classified as a non-controlled entity of ANZ and is excluded from the application of ANZ policies except in those cases where the Trustee elects to adopt ANZ policies.</i></p>

This Standing Notice of Interests and Duties provides details of the directorships, memberships and other interests and duties of the Directors (including Alternate Directors) and Responsible Persons.
